# 1. Future of EU the Sugar Regime and its social impact

EFFAT and CEFS build upon the campaign to secure the prolongation of the current sugar CMO until 2020. Despite major success at European Parliament, a political compromise was struck on 26 June 2013 and settled for a phase out of the quotas in 2017.

## 2. EU industrial and trade policy developments

### **Towards an integrated and sustainable sugar industrial policy: CEFS-CIBE-EFFAT sustainability partnership**

- The objective of this partnership is to highlight and report on representative good practices of sustainable production of beet sugar in the EU in a context of further intensification of competition in the sugar market and the phasing out of the EU sugar regime as of 2017.
- This partnership builds upon key social standards of the CSR code of conduct of the EU sugar industry.

## 3. CSR

- 11<sup>th</sup> Implementation Report of the CSR Code of Conduct of the European Sugar Industry.
- Implementation of a new format of the report according to the mandate given by the social partners at the Plenary of 28.02.2013.

## 4. Demographic analysis of the EU sugar industry

- Mapping conducted through a questionnaire
- Final draft report
- Conclusions and further work.
